JEWELERS

The
Smart
Alternative

"I'm Judith Valentine with Valentine Jewelers where we buy precious metals and jewelry and sell custom and unique jewelry. We ask each customer where they heard about us and more than 50% of our clientele read our ad in the *Independent!* My ad in the *Independent* gives me twice the return for my advertising dollar. Thank you, *Indy*, for bringing Valentine Jewelers such wonderful customers, intelligent enough to recognize a fine, ethical jeweler when they meet one!"
